THE H160. WHAT THE PEOPLE YOU RELY ON, RELY ON.

**FLY
WE MAKE IT**

The new generation H160 boasts a range of unparalleled safety features. Maximized pilot visibility, intuitive information display, unrivalled pilot assistance with Helionix,[®] and unmatched flight envelope protection. What's more, it carries up to 12 passengers with a radius of action of 120 NM, while burning 15% less fuel. With so many impressive features, the H160 is a huge step forward not just for its category, but for the environment, too.

Safety. We make it fly.

Rugged and Reliable

AW109
TREKKER

Leonardo Helicopters are renowned for performance, versatility and safety.

The AW109 Trekker - an evolution of the proven AW109 platform - is the newest light twin, designed for demanding utility and aerial work operations.

Equipped with robust skid landing gear, a latest-generation glass cockpit and advanced avionics, the Trekker provides the excellent handling qualities, high productivity and operational flexibility you demand.

Inspired by the vision, curiosity and creativity of the great master inventor - Leonardo is designing the technology of tomorrow.
